

Active and Safe Routes to School Neighbourhood Walkabout

**Wednesday, November 15th
7:45-9:45am**

Meet at the Lochside Elementary
front door

Attend the walkabout with parents,
school officials, municipal staff and
external stakeholders to:

- Identify walking and cycling safety concerns on our streets
- Brainstorm improvements

Coffee will be provided.

Students are welcome to attend before school starts. Parents are responsible for their children on the walk.

The District of Saanich's Active and Safe Routes to School program encourages and enables students to walk, cycle, or otherwise use active transportation for the school journey wherever possible.
