

**Div.18 NORRIS Summer Learning Opportunities: June 22-25, 2020 and beyond!**

Monday	Tuesday	Wednesday	Thursday	Friday
<div><h3>Summer Reading</h3><p>Here is the link for the <a href="#">BC Summer Reading Club</a>. The theme this year is "Explore the Universe" and there are a lot of interesting literacy and space based challenges, games and activities to explore. Students will need their parent/guardian's email address to sign up and they will be prompted to create a secure password for their online account. The Summer Reading program is an excellent way to continue daily reading as a habit.</p><p><a href="#">Click here to sign up for Explore the Universe: BC Summer Reading Club</a></p></div> <div><h4>Audio Books</h4><p><a href="#">Tumblebooks</a>: Username: LochsideRead Password: trial <a href="#">Epic Books</a>: Our class code is: eiy8793; <a href="#">Epic Free for Summer</a> <a href="#">Audible</a>: Free Trial</p></div>				
<div><h3>Learning Websites</h3><p>Science: <a href="https://sciencebob.com">https://sciencebob.com</a> Language: <a href="https://grammaropolis.com">https://grammaropolis.com</a> Math: <a href="http://www.mathplayground.com">www.mathplayground.com</a> Vocabulary: <a href="http://freerice.com/">http://freerice.com/</a> Open School BC learning links: <a href="https://www.openschool.bc.ca/keeplearning/">https://www.openschool.bc.ca/keeplearning/</a></p></div>				
<div><h3>Prodigy Summer BINGO</h3><p>Our BINGO card and accompanying worksheets are filled with fun activities for your child to try all summer. Plus, as they work through the <a href="#">Prodigy Summer Question Quest</a>, they can check off BINGO squares for that number of questions. It's a great way to track progress and motivate them even more. See if your child can complete the BINGO activities by the end of the summer!</p><p><a href="#">Prodigy Summer BINGO</a></p></div>				
<div><h3>Other Learning Opportunities</h3><p>P.E.: Here is a <a href="#">Virtual sports day</a> from Langley School District that includes a variety of team building activities. The fun activities are centred around everyday materials such as sock and spatulas.</p><p>Fun Summer Learning Ideas from Grand Erie School District Ontario: <a href="#">Intermediate</a> and <a href="#">Fun for Everyone</a></p></div>
