

HAPPY PROGRAM

Home Alone Program Preparing Youth

Dear Parents/Guardians:

Lochside Elementary would like to announce that there will be a **HAPPY PROGRAM** being offered at our School. Kathleen Lee has been teaching this program through the Recreation Centers for over 20 years. She is also now offering this valuable program through the Schools.

Home Alone Program Preparing Youth
Age 9 years old and up
No Child under 9 will be permitted in program

JUNE 13TH Wednesday, the program will be after school from 3:00 to 5:30

A program designed to educate Children how to be safe when alone. The before or after school time or occasional short outings for Parents are easily dealt with when children are well prepared. This program helps Children with confidence so they feel more prepared and know what to do if a problem arises.

Topics covered are:

- **Home and Fire Safety**
- **Kitchen Safety, Food Preparation**
- **How to deal with Strangers on the phone at the door**
- **How to be safe when walking alone**
- **How to administer First Aid on themselves and how to get help**
- **Student booklet and Parent info handout included**
- **And much more**

This program does not certify or give the Child qualification to be HOME ALONE. It is up to the Parent/Guardians to decide on the maturity and responsibility level of their Child.

The cost of this program is \$15.00. The usual cost is about \$35 at Recreation Centers. If you would like your Child to attend please fill in and return below with payment to office by JUNE 12th. Please pay by cash or cheque made out to LEPAC.
