

LASP Summer Camp 2022 Outline

We will be operating summer camp for 8 weeks from July 4th-August 26th, from 7:30-5:45 in the new portables. We are closed the week of August 29th for cleaning, training and rest. You must register for the entire week. We will be opening up registration to the rest of the Lochside community this coming weekend and the deadline for registration is June 1st. At which time we will determine if we have enough kids to operate 2 full camps of 20 kids each.

This is an outline of what we might be offering for summer camp, the themes will remain the same but actual field trips may change. On some weeks we will be offering two separate camps both with the same themes. One group will go on a special (more expensive) field trip. This camp offering will have a higher cost so please read carefully when you register to ensure that you are in the right camp. **The Sign up link is at the bottom of this document. Anyone not currently in LASP that has not filled out a registration form please email us at lochsideasp@gmail.com.**

Cancellation policy (please read carefully):

With one months notice you will be given a full refund minus \$20, with notice of more than a week but less than 30 days you will receive a refund minus \$80 and any cancellations made with less than a weeks notice you will receive a \$50 refund. This is to assist us with staffing appropriately, to help us with any group bookings that have to be made ahead of time and lastly to ensure that we do not run at a loss. Exceptions will be made for any illness or injury. You must notify the manager prior to withdrawing, then you will be told how to proceed and a determination made on any refunds.

Please note that by registering you are acknowledging that you are aware of the policy.
