

LEPAC Co-Presidents' 2014/2015 Report

The Lochside Elementary Parent Advisory Committee (LEPAC) had a very rewarding 2014/2015.

The council held executive and general meetings on:

- September 17, 2014
- October 15, 2014
- November 19, 2014
- January 21, 2015
- February 18, 2015
- March 25, 2015
- April 15, 2015
- May 20, 2015.

Our last meeting of the year is scheduled for June 17, 2015.

LEPAC meetings are open to all parents and guardians with students at the Lochside School and we encourage input from all members of the Lochside school community.

As this year comes to a close, we would like to reflect upon what a terrific year we have had.

We say it has been a terrific year because of so many reasons. In particular, many of our sponsored activities and contributions to school community, the amazing volunteers we have at our school and how fortunate we are to have the funds to begin a legacy project this year.

Activities

We have hosted such amazing events such as the Halloween party in October where not only families from our school attended, but even other families within the community joined us. Although we haven't hosted the end of the year BBQ yet, we look forward to it. This is where the families within the school come together one last time in the year to enjoy the outdoors with some good food, fun games and sense of community.

Volunteers

The volunteers here at Lochside are amazing!!! All the events that LEPAC puts on could never been done without them. From fun lunch once a month, to the Halloween dance, staff appreciation week and barbeques – it would never work without our volunteers. Your support is greatly valued and much appreciated by the staff, parents and students at Lochside Elementary School. Thank you to all our volunteers – without you we, we could not support the school as we do!

We are also very grateful for the hard work and dedication of this year's executive.

Outdoor Learning Center

Lochside is very fortunate to have the funds to build a legacy project this year. This year we decided to build an outdoor learning center for the school to enjoy. It has taken many months to get this project underway, but we will be starting the building process soon and LEPAC couldn't be any more excited.

Our school is such an amazing place. All our children are in such a warm and friendly learning environment, not only because of our wonderful teachers and staff (they are a very big part of it), but also because of all our families. We are so proud of our amazing school and community.

Thank you for another great year Lochside Elementary School!

Yours sincerely,

Stephanie Kalabric & Michael Brooks
Co- Presidents, LEPAC 2014/2015
